I am Nancy Pal, currently pursuing BCA. I have good knowledge of MS Office (Word) and have completed the ADCA course, gaining hands-on experience with tools such as Adobe Photoshop and CorelDraw. I am passionate about AI and using n8n tools to create AI agent workflows. I am motivated to build my career in the AI and technology domain and eager to learn and grow in a professional environment.

PROJECTS

PERSONAL PORTFOLIO WEBSITE

React, JavaScript, HTML, CSS

- Designed and developed a personal portfolio website to showcase projects, technical skills, and achievements
- Built responsive layouts and smooth navigation to ensure compatibility across devices
- Implemented reusable components and clean UI design for better user experience
- Deployed the portfolio using modern hosting platforms and maintained the codebase using GitHub

STUDENT COURSE MANAGEMENT

React.js, .NET Core, MySQL

- System Development: Designed and developed an end-to-end web application to efficiently manage student course enrollments and academic records.
- Frontend Development: Built an interactive and responsive user interface using React.js to ensure a seamless experience for students and administrators.
- Backend & API: Developed a robust backend using .NET Core to handle data processing and secure API communication.
- Database Management: Designed and optimized a MySQL database scheme to ensure efficient storage and retrieval of student and course data.
- Functionality: Implemented key features including user authentication, course registration, and an administrative dashboard for data management.

N8N-WORKFLOW

- AI Meeting Scheduler (Tech Stack): n8n, Google Calendar API, Gmail API
- Gmail AI Agent (Tech Stack): n8n, Gmail API, AI
- RSS News Telegram Channel Workflow (Tech Stack): n8n, RSS Feed, Telegram Bot API
- Google Sheet Autosave (Tech Stack): Google Sheets, Google Apps Script, n8n

INTERNSHIP

- Developed responsive web applications using HTML, CSS, JavaScript, React.js, and .NET Core.
- Built both frontend and backend modules for web applications.
- Worked with SQL Server for database management and Visual Studio for development.
- Developed and tested full-stack projects while following best coding practices.

EDUCATION

Bachelor Of Computer Application (BCA)

Maharana Pratap College of Professional Studies | 2024 – 2027

SKILLS

Languages: C, C++, Python, SQL

Web Technologies: HTML, CSS (Basic), JavaScript

Tools & Software: MS Word, Excel, PowerPoint, Internet Applications, Git, GitHub

Other Skills: Communication, Teamwork, Problem Solving

CERTIFICATIONS

Digital Productivity with AI Tools

Basic Computer Applications Certification

Certified Super77 Leadership Program

Medal Winner – Python Mania (College Technical Event)

Certificate of Participation– Fusion Fest (College Fest)
